Celebrating 45 years of the Uniting Church

As we approach the anniversary of the Uniting Church in Australia next Wednesday 22 June, we invite you to share this video as you celebrate our birthday in your part of the Church.

UCA President Rev Sharon Hollis shares what she is thankful for about the Uniting Church and her hopes for the future in this 45th Anniversary video.

We also include short snippets from members of the 16th Assembly who reflect on what they love most about the Uniting Church. Thank you to those who shared!

You may like to use this video as inspiration for a conversation on your experiences of following Christ in the Uniting Church and how we might continue to work for justice, unity, wholeness and creation.

A special shout out to Uniting Creative for the music in the video with their song based on the UCA hashtag **#Allofthisisus**.

We look forward to hearing about your UCA anniversary celebrations!
